ACT OF CONTRITION

Merciful Father, I am guilty of sin.
I confess my sins before you and I am sorry for them.
Your promises are just;
therefore I trust that you will forgive me my sins and cleanse me from every stain of sin.
Jesus Himself is the proposition for my sins and those of the whole world.
I put my hope in his atonement.
May my sins be forgiven through His Name, and in His blood may my soul be made clean.

Amen.

Carmelite sisters in Los Angeles are asking the Catholic faithful for prayers — and donations if they are able — after a fire destroyed one of their retreat houses April 11.

“[The] No. 1 [way to help] is just to pray with us, to be attentive to the promptings of the Holy Spirit right now, especially in this time of rebuilding, that we move according to what the Lord wants,” Sister Meredith Boquiren, OCD, directress of the Sacred Heart Retreat House in Alhambra, California, told anchor Veronica Dudo in an April 16 interview on “EWTN News Nightly.”

Early Saturday afternoon during a four-day Healing the Whole Person retreat, a fire broke out on the second floor of one of the two retreat houses on the campus, which is operated by the Carmelite Sisters of the Most Sacred Heart of Los Angeles.

No one was injured in the fire, but the damaged building is inoperable and will need to be rebuilt.

against any form of violence, misconduct, or unprofessional behavior within the Walled City.
We regret the recent incident involving our external security service provider and an unregistered e-tricycle driver. While the Administration does not condone physical violence, it would appear based on initial investigation that the confrontation stemmed from violations of established regulations, including illegal parking and verbal insults directed against a person in authority.
A comprehensive investigation on the incident by the Philippine National Police - Manila Police District and Intramuros Administration is ongoing. Appropriate actions will be taken based on the findings, in accordance with existing laws, rules, and regulations.
We assure the public that the safety and security of all visitors, residents, and stakeholders remain our priority. Measures are continuously being strengthened to prevent similar incidents, as we remain committed to ensuring that all parties within the Walled City adhere to the law and observe proper discipline.

Through the new ***Pasig Alliance For Organ Donation and Sharing*** with The Medical City, Rizal Medical Center, and the Pasig City LGU, we will save lives through organ transplants.

Ang pinaka maganda pa rito, imbis na mag-abroad pa, dito lang sa Pasig gagawin ang transplant. 💙

Through the years, I've seen so many families, especially those with small children, struggle to raise funds and even lose their jobs because they have to bring them abroad for a life-saving transplant.

As Secretary of Health Ted Herbosa emphasized in his message, we need to increase the capacity of our healthcare system so that we can do more organ transplants here in the Philippines.

Our agreement covers:

1. ORGAN DONATION AWARENESS AND ADVOCACY

2. IDENTIFICATION OF POTENTIAL MULTI-ORGAN DONORS

3. TRAINING & CAPACITY BUILDING

4. MULTIDISIPLINARY ENGAGEMENT

5. ACTIVATION OF HOSPITAL UNITS AND SUPPORT SERVICES

6. FINANCIAL ASSISTANCE FOR PATIENTS AND THEIR FAMILIES

With the joint effort, expertise, and resources of the organizations represented here, I am confident that we will save lives by making organ transplants more accessible to Pasigueños.

PINION
Niggardly relief
The government's defense in refusing to cut fuel taxes boils down to this: it needs the windfall earnings.
And the common reaction to this argument is: to whose fat bank accounts will our taxes go?
There must be sound economics behind the decision to hold on to what President Marcos himself has described as a windfall for the government: the higher fuel prices go, the greater the excise and value-added taxes automatically collected.
Members of BBM's economic team argue that an across-the-board tax cut would give the greatest benefit to the rich.
Instead of counting the amount of benefits accruing to that miniscule segment of the population with fleets of luxury vehicles, helicopters and private jets, shouldn't Marcos 2.0 be counting the number of peop who would get immediate, efficient relief from fuel tax cuts?
This is something that the tone-deaf bunch of billionaire dynasts running the government cannot understand. Or maybe they fully understand, but are trying to continue fooling the nation with promises of tax cuts, until the situatio stabilizes sufficiently (they hope) for them to tell us: look, w no longer need to suspend or cut fuel taxes! Hallelujah!

"WALA SA PAGKATAO KO ANG PAGHIHIGANTI" — De Lima, May Matapang na Pahayag

Mariing ipinahayag ni Leila de Lima na hindi bahagi ng kanyang pagkatao ang paghihiganti.

"Wala sa pagkatao ko ang paghihiganti," ani De Lima—isang pahayag na nagpapakita ng kanyang paninindigan sa kabila ng mga pinagdaanan at kontrobersyang kinasangkutan niya sa nakaraan.

Para sa ilan, ito ay simbolo ng pagpili ng prinsipyo at integridad kaysa personal na galit. Samantala, may iba namang naniniwala na mahalaga pa rin ang pananagutan at hustisya sa anumang isyu.

Sa gitna ng iba't ibang pananaw, nananatiling mahalaga ang balanse sa pagitan ng pagpapatawad at pagpapatupad ng batas.

The image showcases the iconic hosts and a commemorative graphic of Eat Bulaga! during its long-running tenure on GMA Network, which spanned nearly three decades from 1995 to 2024.

As of April 2026, the program is currently airing on TV5 and RPTV, marking a major shift in Philippine television history following a high-profile legal dispute over the show's name and branding.

Key Eras of Eat Bulaga on GMA

The Premiere (1995): The show officially moved to GMA Network on January 28, 1995, with a grand TV special titled "Eat... Bulaga!: The Moving!".

Broadway Centrum Era (1995–2018): For 23 years, the show broadcast from the Broadway Centrum in Quezon City.

APT Studios Era (2018–2024): It moved to a new home at APT Studios in Cainta, Rizal, in December 2018.

The 2023 Departure: The original hosts—Tito Sotto, Vic Sotto, and Joey de Leon (TVJ)—along with other co-hosts, announced their mass resignation from producer TAPE Inc. on May 31, 2023.

Conclusion on GMA (2024): After a transitional period with new hosts, the use of the "Eat Bulaga" name on GMA officially ended on January 5, 2024, following a court ruling in favor of TVJ.

Current Status

Home Network: TV5 and RPTV.

Title Rights: The legendary trio TVJ successfully won the rights to the "Eat Bulaga!" trademark, which they have used for their TV5 show since January 6, 2024.

GMA Slot: Following the end of TAPE Inc.'s production on GMA, the noontime slot was eventually filled by the simulcast of ABS-CBN's It's Showtime starting in April 2024.

Would you like to know more about the current segments on the show or details about the legal battle for the "Eat Bulaga" name?

Alam n’yo ba si Fr. Flavie Villanueva, na humiling ng panalangin para sa kanyang sarili habang patuloy siyang nagpapasalamat sa suportang natanggap niya?

Ibinahagi ni Father Villanueva ang taos-pusong pasasalamat sa mga taong nagdasal, nagpadala ng mensahe, at tahimik na nakiisa sa kanya—mula sa kapwa pari at relihiyoso hanggang sa mga maralitang kanyang tinutulungan, pati na rin sa mga taong hindi pa niya personal na kilala.

Para sa kanya, hindi ito tungkol sa pagtatanggol sa sarili. Mas tinitingnan niya ito bilang paalala ng mga mahalagang bagay—ang konsensya, malasakit, at dignidad ng bawat tao.

Nagpasalamat din siya sa mga taong sumuporta sa kanya sa maayos na paraan—hindi sa paninira, kundi sa pagpili ng habag, tapang, at paninindigan sa tama. Aniya, malaking lakas ito hindi lang para sa kanya, kundi lalo na sa mga taong madalas hindi napapakinggan.

Sa huli, muli siyang nanawagan ng panalangin para sa kanya, at tiniyak din ang kanyang panalangin para sa lahat. Paalala niya, huwag mapagod sa pagpili ng katotohanan, awa, at paggalang sa dignidad ng tao—lalo na kung may kapalit itong sakripisyo.

📌 Ang mga pahayag na ito ay ibinahagi noong December 2025.

Kapag aktibo ka sa kongreso, tambak ang paninira.
Beware of fake news. Even legitimate media outlets can be victims
MASOBRA P1 BILLION NGA DPWH
Doc Nanay's recent post referring to a screenshot of a Bombo Radyo report as "fake news" was not intended to discredit or malign the station. She has previously worked with Bombo Radyo in delivering public health programs and recognizes its credibility and longstanding commitment to public service.
The post was issued in response to circulating screenshots claiming ₱1.7 billion worth of incomplete DPWH projects.
These materials appear to have caused public confusion. The figures cited were reportedly drawn from the DPWH Transparency Portal, which may not yet reflect the latest district and regional data used in official briefings provided to Doc Nanay in the performance of her oversight functions. The timing of the circulation also coincided with the recent visit of Secretary Vince Dizon to Iloilo City—not Iloilo's 1st District—where concerns were raised over delays in the implementation of key infrastructure projects.
It is also worth noting that Bombo Radyo reportedly sought clarification from the relevant DPWH District and Regional Offices but did not receive an immediate response, which may have further contributed to the misunderstanding.
In this light, we respectfully call on the DPWH to continue strengthening and regularly updating its Transparency Portal to ensure that both media partners and the public have access to accurate, timely, and contextualized information. A well-informed media sector remains essential to transparent and accountable governance.

Sa batas, ang presumption of innocence ay para sa criminal prosecutions bago ang final conviction. Pero kapag may finding, ruling, o notice of disallowance na, hindi iyon nabubura dahil lang may available pang appeal. Ang appeal ay remedyo para ipa-review, ma-reverse, o ma-modify ang desisyon. Hindi ito automatic erasure ng naunang finding.

Tahimik daw ang Papa sa mga nangyayari sa Iran???

Huwag po tayong magpadala sa mga sabi-sabi, lalo na kung may mga proof naman tayo. Ang katotohanan, hindi kailanman nanahimik ang Vatican sa mga pag-abuso sa Iran, noon pa man.

2023 (Pope Francis): Diretsahang kinondena ni Pope Francis ang gobyerno ng Iran sa paggamit ng death penalty laban sa mga protesters. Malinaw ang sinabi niya: Ang pagkitil sa buhay ng mga taong humihingi lang ng respeto sa dignidad ng mga kababaihan ay hindi katanggap-tanggap. (Check niyo yung Global News report!)

January 2026 (Pope Leo XIV): Bago pa man ang malakihang gulo, nagpahayag na ng matinding lungkot ang Papa sa tumitinding karahasan sa Iran. Direkta niyang sinabi na ang tensyong ito ay "patuloy na kumikitil ng maraming buhay." Nanawagan siya para sa dialogue at peace para sa ikabubuti ng buong lipunan—isang malinaw na hirit para itigil ang bloodshed at pang-aabuso ng Gasht-e Ershad (Morality Police).

Ang panig ng Simbahan ay laging nasa mga biktima—mula sa mga protesters sa kalsada ng Tehran hanggang sa mga pamilyang madadamay sa crossfire.

Kaya sa mga nagsasabing "tahimik" ang Papa, hindi po sila tahimik. Baka hindi lang tayo nagbabasa ng balita at mas pinapakinggan ang propaganda. Ang pananahimik sa harap ng pang-aabuso ay wala sa bokabularyo ng Simbahan.

Research-research din 'pag may time para hindi tayo naliligaw.

@everyone

GLORIA MACAPAGAL AND JOSE MIGUEL ARROYO ON THEIR WEEDING DAY

Gloria Macapagal and Mike Arroyo were married on August 2, 1968, at the historic San Agustin Church in Intramuros, Manila. As the daughter of former President Diosdado Macapagal, Gloria celebrated her reception at Malacañang Palace surrounded by the country's political and social elite.

The union joined two influential families and marked the beginning of a decades-long partnership that would eventually see the couple return to the palace during Gloria's own presidency.

Did you know?

Penélope Cruz and Javier Bardem first met in 1992 on the set of the film “Jamón, Jamón” by Bigas Luna.

At the time, Cruz was 17 and Bardem was 22. Despite their clear on-screen chemistry, they went their separate ways and maintained a friendly relationship.

Their romantic relationship began many years later, during the filming of “Vicky Cristina Barcelona” in 2007.

Following his family's silence on the issue surrounding Monterrazas de Cebu, Slater Young clarified that the project did not worsen flooding during Typhoon Tino in Cebu City and instead met the required standards according to an independent study.

He added that the systems they built helped reduce flooding.

An independent study conducted by the University of the Philippines... found that Monterrazas [de Cebu] did not cause or worsen the flooding.
[The study also found] we did not just meet the required standards for water management. We almost doubled it... The science does not just say we did not cause the flooding; it says that the systems we have built in place

May hangganan din pala ang magic ng apelyido. Deserve bumagsak ni Sara. Hindi kasi puwedeng puro tapang ang branding pero kulelat sa accountability, puro drama pero kapos sa linaw, at parang galit lagi kapag taumbayan na ang nagtatanong. Hindi utang na loob ng publiko ang tiwala. Iniingatan at pinagtatrabahuhan yan. Kapag sablay ka, babagsak ka. Ganun kasimple.

"ISANG MALAKING KAHIHIYAN ANG GINAWA NG SARHENTONG ITO."

Dismayado si Napolcom Commissioner Rafael Calinisan kay PCMS. Jenifer Bredico na driver ng PNP coaster na pumasok sa linya ng EDSA busway noong Biyernes, Abril 17.

Ayon kay Calinisan, imbes na magpakumbaba at humingi ng paumanhin, nagalit pa ang pulis sa driver ng pampasaherong bus at pilit pang kinukuha ang linsensya nito.

Sinibak na sa puwesto ang sangkot na pulis habang umuusad ang imbestigasyon.

Maaari siyang maharap sa kasong administratibo. | via Jessi Cruzat, ABS-CBN News

POLITICAL ANALYST, NANINIWALANG MALAKAS ANG TAMBALANG RAFFY TULFO AT RISA HONTIVEROS SA 2028

Naniniwala ang political analyst na si Richard Heydarian na maaring maging malakas ang tambalang Senador Raffy Tulfo at Senador Risa Hontiveros sa 2028.

Sa isang programa, sinabi ni Heydarian na maaring makinabang si Tulfo kung sakaling suportahan ito ng mga Kakampink kasama na si Naga City Mayor Leni Robredo.

"If Leni doesn't run, looks like Raffy will have the momentum suddenly" ani Heydarian. "And if Leni endorses Raffy, then he's suddenly the 40-50%"

Binanggit din ni Heydarian ang analysis mula sa Octa Research kung saan binabanggit umano ang posibleng pagiging popular ng tambalang Tulfo at Hontiveros.

"Actually very strong daw 'yung RnR, yung Raffy and Risa because they balance," aniya.

facebook

"Kasi tignan mo Risa matapang na babae progressive and then Raffy 'yung macho na lalaki, actually ang ganda daw nung matchup ni Risa and Raffy," dagdag pa niya.

Ibinahagi rin ng political analyst na magiging competitive na coalition ang pagtakbo ni Tulfo sa pagkapangulo at Hontiveros sa pagka-bise presidente.

One year ago today, Pope Francis appeared on the balcony of St. Peter's Basilica to impart the traditional Easter blessing, *Urbi et Orbi*, to the faithful gathered below. With a simple "Happy Easter," he greeted the world and, due to breathing difficulties, entrusted the reading of his message to Archbishop Diego Ravelli, his Master of Papal Liturgical Celebrations.

He then offered the Apostolic Blessing, instead of the usual Solemn Blessing of Plenary Indulgence quietly yet profoundly.

Afterward, he made an unexpected tour of St. Peter's Square, taking time to greet the faithful—an image of closeness that many will remember.

At the time, few could have known this would be his final public appearance. Within nineteen hours, everything would change, and the life of the Church would enter a new and uncertain chapter.

In hindsight, that Easter moment now carries a deeper weight—one of quiet farewell and of a shepherd's final presence among his people.

Tiniyak ng Department of Energy (DOE) na nananatiling sapat ang suplay ng langis sa bansa, na ngayon ay tinatayang tatagal ng 52.02 araw batay sa kasalukuyang inventory levels.

Ayon sa DOE, ang imbentaryo ay binubuo ng iba't ibang produktong petrolyo: gasolina na tatagal ng 54.47 araw, diesel na 50.13 araw, kerosene na 129.93 araw, LPG na 40.26 araw, jet fuel na 60.69 araw, at fuel oil na 78.87 araw.

Kasabay nito, inaasahang darating bukas ng umaga sa Subic ang ikatlong shipment ng diesel ng Philippine National Oil Company (PNOC) na may kabuuang volume na humigit-kumulang 300,000 hanggang 320,000 barrels.

Ang naturang kargamento ay dadaan sa Subic Terminal ng Philippine Coastal Storage (PCS) kung saan ito iimbakin bago ipamahagi sa merkado.

Dagdag pa ng DOE, bahagi ang shipment ng patuloy na importasyon ng pamahalaan upang mapanatili ang sapat na suplay ng petrolyo sa bansa, lalo na sa gitna ng umiiral na price regulation at mga hakbang sa rollback.

Samantala, may kasunod pang ikaapat na shipment ng diesel na nakatakdang dalhin sa Davao, bilang bahagi ng pagpapalakas ng suplay sa Mindanao.

Patuloy namang mino-monitor ng mga awtoridad ang imbakan, distribusyon, at supply levels ng langis sa buong bansa upang matiyak ang tuloy-tuloy at maayos na suplay para sa publiko.

Today, an Iranian-flagged cargo ship named TOUSKA, nearly 900 feet long and weighing almost as much as an aircraft carrier, tried to get past our Naval Blockade, and it did not go well for them. The U.S. Navy Guided Missile Destroyer USS SPRUANCE intercepted the TOUSKA in the Gulf of Oman, and gave them fair warning to stop. The Iranian crew refused to listen, so our Navy ship stopped them right in their tracks by blowing a hole in the engineroom. Right now, U.S. Marines have custody of the vessel.

Fuel costs have been rising, and it's felt most by our drivers and commuters.

So we rolled out the **Service Contracting Program**.
Government pays operators and drivers per kilometer travelled so they can keep running despite high fuel costs. *Busway drivers* receive **₱100** per kilometer, city buses **₱82**, *modern jeepneys* **₱40**, and *traditional jeepneys* **₱30**. In return, commuters get a **20**% **fare discount**, with up to **40**% for *students*, *seniors and PWDs*.

Drivers now have additional income and are back on the road. Commuters wait less and pay less. **Tuloy-tuloy ang biyahe ng bawat Pilipino.** 🇵🇭

First Baptism in PH
The first baptism in the country was officiated by Pedro de Valderama, the chaplain of the expedition led by Portuguese explorer Ferdinand Magellan, as witnessed and documented by Antonio Pigafetta. Accounts by Pigafetta showed that about 800 natives, including Cebu's chieftain, Rajah Humabon, and his wife, Hara Humamay, were baptized that day.

"🌊 TOO TERRIFYING — RIVERS SWALLOW ENTIRE TOWNS 😱

🔥 Australia's Northern Territory and Queensland are drowning under monsoon floods — Katherine River hit 19.2m (63ft), highest since 1998, flooding streets, homes, and shops in Katherine 320km SE of Darwin.
Authorities issued evacuation orders, roads closed, infrastructure crippled as water surges past major flood levels. 🌊🚨

🙏 Pray for Katherine families watching their homes disappear underwater, for rescuers battling raging currents, for everyone forced from everything they own. 🕊️

"I stand with my brother in Christ, His Holiness Pope Leo XIV, in his courageous call for a kingdom of peace."
As innocent people are killed and displaced, families torn apart, and futures destroyed, the human cost of war is incalculable. It is the calling of every Christian – and of all people of faith and goodwill – to work and pray for peace. We must also urge all those entrusted with political authority to pursue every possible peaceful and just means of resolving conflict.
